FIG. 5 is a cross-sectional view of a mechanical assembly in a first state. FIG. 6 is a cross-sectional view of the same mechanical assembly in a second state, showing a component (40) being inserted into the side of the housing (12). The central shaft (21) is shown with an upward arrow, indicating movement. The shaft has a shoulder (28) with a seal (29) and a flange (41). The lower section of the shaft (22) is shown with a shoulder (16).
